Paula Fidalgo Fernandes

Hi, I'm Paula!
A product designer
passionate about creating
digital experiences that
people fall in love with

E X P E R I E N C E

Güd People aug 2020 > april 2022

On a range of Product Discoveries projects, I worked researching the market and user's needs. To apply the insights in a product concept, from wireframes to the prototype. After a few projects we did for Your/dev, I got offered a position.

Your/dev feb 2021 > today

As a designer, I handled all UX/UI of different digital products, from research to high-fidelity prototypes and structuring Design Systems. Working in squads, web or mobile, part of my job is to oversee and facilitate ongoing development.

Interaction Design Foundation

108 hours of online classes, courses in the areas of UX, UI, Design thinking, HIC and usability

University of Bahia State (UFBA)

2019 / Degree in Architecture

CRIA nov 2017 > dec 2019

Furniture design company, where I worked from creation to overseeing the execution. An job experience that allowed me to connect with design and problem-solving.

2013 / Beginning of Architecture and Urban Planning studies
